

St Luke's CE Primary School 2016 – 2017

Analysis of Pupil Premium Progress and Attainment (including the Ofsted Challenge Toolkit for Pupil Premium)

At St Luke's CE Primary School:

- we ensure that teaching and learning opportunities meet the needs of all of the pupils.
- we ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
- in making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged
- we also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

Provision at St Luke's includes:

- additional teaching and learning opportunities provided through trained TAs or external agencies for Maths and Reading
- acquiring effective materials aimed at raising standards, particularly in reading and mathematics
- nurture support
- music support to deliver instrument tuition
- subsidising the cost of educational visits/visitors including residential experiences
- PE kit and resources supplied where needed
- Access to Mathletics and Spellodrome website to promote learning opportunities and to daily clubs
