

# Year 5&6 High 5 Netball

On Friday 10<sup>th</sup> January, Endon High School hosted a Year 5 and 6 inter-house competition for children from St Luke's Primary School. Approximately 60 children competed and the four houses of Dane, Churnet, Manifold and Trent, played against each other in a round robin format, organised and officiated by our sports leaders.

Ten Sports Leaders from Endon High School's Year 9 warmed up, coached and officiated the children throughout the tournament, supervising one of the St Luke's teams each. L.Lambert took charge of timing and scoring the Year 6 tournament and L.Hackney the Year 5's.

All the girls showed great maturity and took on the responsibility with a great work ethic. A massive thank you and well done to the following girls who did so well:
