'Helping Lights Shine For All'

7th December 2018

Dear Parents/Carers

Thank you to everyone who was able to come and support the Christmas Fair – the PSA provided a brilliant event with plenty going on. We really appreciate their on-going hard-work. This year the PSA has kindly contributed towards the library re-development and some additional reading books.

Apologies for the cancellation of netball (heavy rain and too many children to host in the hall), cross-country and football clubs this week – the field is waterlogged and therefore dangerous to use. Thank you for your understanding.

This week, Year 6 have visited the Maritime Museum in Liverpool as part of their learning about the Titanic. They had a fantastic time and represented the school superbly.

Across the whole-school, the children have been sharing the same book as part of a reading week. The children have been reading *The Journey* - an incredible picture book – which has sparked their imagination and inferential skills.

Clubs for Spring Term – of the fifteen different clubs offered in school, five of them have been over-subscribed. For these clubs, names have been drawn out of a hat. The clubs affected are Hit the Beat, Y5/6 Netball, Y5/6 Tag-rugby, Crafty Club and cross-country. The children will bring slips home on Monday highlighting the clubs they are involved in. Thank you for your forbearance.

Upcoming events:
