'Helping Lights Shine For All'

1 February 2019

Dear Parents/Carers

Thank you for your support and patience with adjustments we have had to make with clubs provision this week. The children have behaved brilliantly to get the most out of their break times by working within some safe principles they were able to devise themselves. Our gratitude extends to Mr Mycock, our site supervisor, who has worked tirelessly to create and maintain the safety of our grounds.

Our netball teams have had some success over the last two weeks in the Staffs Moorlands competitions – the team competing this week were awarded the Sportsmanship Award for their attitude and application. This was voted for by the other teams – it is always encouraging to be recognised by your peers. Our Y1/2 children have also enjoyed a Multi-skills festival at the high school.

We are also really proud of our children for the impact and influence they had on ensuring the provision of road crossing patrols for another twelve months. They conducted themselves impeccably during the initial protest/awareness raising and then continued to excel as they represented us all, as the media returned to gather their perspective on the council's change of approach.

Upcoming events:
