Helping Lights Shine For All

School Photographs Thank you very much for all of the feedback that we have received in regard to our new school photography. We are thrilled with the quality of the photographs, and it is clear from the volume of orders, that you are also excited by the new style. If you have missed the deadline, you can still order directly .

Parent Consultations

During our Parent consultation days, (20th, 21st, 22nd) there will be reduced incoming lines. Please use email for non emergency contact during these times.

Wonderful news.

We are thrilled to announce that Miss Hill and her husband have welcomed a beautiful baby girl - Penelope Rose Hill. Weighing a healthy 9lbs 9! Both mum and baby are doing well and we are sure that you will join us in sending our love and blessings to the family. We cannot wait to meet her.

PSA Information

We thank the PSA for their continued efforts to provide our children with the wonderful opportunities that they do. As you know, school budgets are extremely tight and therefore we rely heavily upon money raised from the PSA.

The PSA are working hard on our 'Christmas in not cancelled' theme. The idea is that as a school and PSA, we find alternative ways to make Christmas special for our children. As you can imagine this is difficult and provides a number of obstacles, however I am confident that with their help, we will be providing the children with more fantastic memories to last a lifetime.

I would like to remind parents/ carers about our Smarties challenge and the upcoming Rainbow discos. To clarify, the KS1 disco is Thursday 15th, and KS2 will take place on Friday 16th. Children can come to school dressed in colourful clothes, and the day will have a happiness and wellbeing theme. The discos will all follow the school's Covid risk assessment, and will take place in classrooms, in order to protect bubbles. The cost is £3 per child including a snack bag .

The following children have received

Headteacher Awards Joel & Lewis-Y4-Writing, Poppy & Tom-Y6- Extended write, Max, Edward, Esme, Olivia M.F -Y6-Pupil voice, Marlie -Rec-Trying new things, Elsie- Rec-Super phonics, Henry-Y5 - Guitar performance, Emma, Olivia, Freddie, George-Rec-Pupil Voice, Matilda-Y2-Maths, Leo & Sophie -Y5-Poetry, Lola-Y5-Spelling, Zac, Olivia, Charles, Georgia-Y4-pupil voice, Callum, Niamh, Elyssa, Joe-Y4-pupil Voice, Rosie & Poppy -Y4 -extended writing, Maddison-Y3-Mental Maths **We are extremely proud of each and every one of our children.**

Harvest

Thankyou to everyone in Year 2 for this year's Harvest service. Although we were extremely sad that we were unable to celebrate this year with parents, it was wonderful to be able to visit St Luke's church to record our service, which is now live on our school website. Year 2 made us all very proud and the message given in the service, again was a reminder of how lucky we all are. Each class will be watching the video as part of our class worship over the next couple of weeks. I would like to thank everyone involved in making the service so special for the school community.

Donations

As we know, the current climate this year, is making things considerably more difficult for many families. Therefore, for Harvest this year, we would like to support our local Food-bank. We are asking for donations of tinned food only, which can easily be sanitised before collection. Could we please ask that all donations are sent into school by **Monday 19th October**, when our Governor Joe Porter will collect and distribute to the local Food-

Year 6- We welcome Mrs Deavall back to school from Tuesday. She will be joining Miss Machin in Year 6.

This week's quote of the week, has been very thought provoking. Please do continue to discuss our quotes with your children.
