## Helping Lights Shine For All

**PSA** - Our PSA have organised a Summer term Bubble disco on May 27th. Thanks to Disco Jayne for giving up her time. Payment will be £3 via Parent Pay. Thanks for your support in fundraising for the school.

**Warmer weather:** As we move into Summer I would like to politely remind parents to ensure that during hot weather children have sun lotion, water bottles and a hat so that we can make the most of learning outdoors.

**Wellbeing and swimming** Our children have absolutely loved having our very own swimming pool here at St Luke's and their only complaint was that they wished they had it for longer. We have already secured it for next year, and we are looking forward to our KS2 swimming Gala's on Monday before our swimming pool leaves us for pastures new. As you know wellbeing is very important to us, and the old saying 'Healthy body healthy mind' really is true. We are really excited that we now have an orienteering course set up in our school grounds. staff have received training this week on how to use it. We look forward to using this not only for PE, but also to help us teach curriculum objectives outdoors and as part of our catch up plan.

**Class Photographs** Clara Lou will be returning to St Luke's on Wednesday 9th June to take our end of year class photographs. We are really excited to be welcoming her back into school and to see what unique group shots she produces. She will also be producing our Year 6 leavers autograph books; what wonderful keepsakes.

**INSET days** Please be reminded that school is closed to children on Monday 7th and Tuesday 8th June as we have INSET days. As we are aware that childcare may be difficult for some parents, we will be offering FAST club provision. We do have limited spaces, so please complete the form sent on the email as soon as possible to secure your child's place.
