

Contacts

At St Luke's we have an open door policy and it is important that we work in partnership. If you have any concerns about your child or are worried about anything, then please do not hesitate to contact either myself or a member of the team, who will be willing to help. We will always find time for you to talk to us in person if you feel that this would help your child. You can ring to arrange a convenient time.

Year 6 Autumn 2019 Newsletter

Miss Taylor and Mrs Snow

Here we go again, a brand new term! This time as the ultimate role-models in school, Year 6! We are all super excited about our trip to PGL on the 16th-20th of September. We are all very much looking forward to trying new, exciting experiences—determined to face anything that comes our way! Our class assembly will include lots of pictures and memories from the trip, and so is one not to be missed—it will be on Friday the 27th September.

Topic

Our topic this term will involve looking into sustainable forms of energy, considering the impact that they have on the world around us and whether they are solutions to the problems that we face here on our planet. It's going to be an incredible topic in which the children use not only their geographical skills but also their P4C and design technology skills too.

Homework and Reading Challenge

The creative homework tables will be going out with the children shortly, they really embraced the opportunity to be creative last year and I can't wait to see what they come up with this time! As usual, we will share these in the last week of term.

We continue to expect a minimum of 3 reads per week as homework, 5 reads will allow the children to progress throughout the reading challenges. I would encourage that the children are still read with despite them being fluent readers, as the conversation

around new language found when reading and true understanding of the text can be unpicked collaboratively. These experiences had when reading are invaluable to their further progression, and are just enjoyable too!

This year, I will provide the children with homework books, they are simply a safe place to keep track of their worksheets.

PE

PE will take place on Tuesdays and Wednesdays.

Key dates/days:

- ◆ 16th-20th September—PGL
- ◆ 27th September—Class Assembly
- ◆ PE kits needed —Tuesday and Wednesday
 - ◆ Reading diaries marked—Friday
- ◆ Spellings tested and new given—Friday
