Helping Lights Shine For All

It has been so lovely to welcome everyone back to school this academic year with so many smiles and happy faces. It has been wonderful to welcome our new families, and our children have really shone in helping new children to settle into our school family. We have been thrilled with the way in which our children have demonstrated our 5Be's of great learning and are already impressing us with their thirst for learning. We are excited for yet another year of excellence at St Luke's as we help our community to shine their lights.

School entry 2024 As you know we like the personal touch, so if you know of any parents, whose children who are starting school next September ,please ask them to get in touch with the school office to arrange a time for an individual show around, even if they do not live in our catchment area

Absence

As per the attendance policy please do not contact via email or dojo. Instead, please contact our school absence line on 01782 502369 OPTION 1. This will ensure that the message is received in a timely way as some of our office staff do not work every day. Office staff will pass this message onto class teachers.

St Luke's PSA

We will be holding our annual AGM on **Tuesday 3rd October at 6pm** in the school hall. We hope to recruit some new members, to support our fundraising and bring new ideas. If you are available to support with planning or running future events such as our upcoming fireworks, please do come along .

Class Dojo

Please remember to look at Class Dojo to see what exciting learning is taking place in the classroom and for messages from the school. You can of course use this as a point of contact with staff, however can I respectfully remind parents that staff will only reply to messages during normal school hours as they are not contracted to answer messages at night or the weekend. For anything urgent please contact the school office. Thanks

Uniform– Please be reminded that our uniform policy states that all hair of shoulder length to be tied up and no earrings to be worn. Please pop your child's name in all uniform as we have already had things go missing, and it makes the job of finding lost belongings quicker.

Leadership roles: We have been very impressed with the number of applications for our leadership roles from year 1-6. Our children really do display a love of learning through their choices. We have been impressed with the maturity and resilience shown, when children do not get voted in through our democratic class voting. We are so proud of them all and look forward to seeing our change makers in action!

Many thanks from Mrs Danylyk and the St Luke's CE Academy team.
