	Parents <input checked="" type="checkbox"/>	General Public <input checked="" type="checkbox"/>			

This policy relates to all Academies in Staffordshire University Academies Trust.

1. Trust Ethos, Vision and Values

1.1 Disability Equality Mission Statement

At Staffordshire University Academies Trust (SUAT) we are committed to ensuring equality of opportunity for:

- pupils with disabilities in relation to education and associated services;
- staff with disabilities in relation to employment rights, conditions and opportunities;
- and all parents and members of the local community with disabilities in relation to additional services offered by or at our academies.

We aim to develop a culture of inclusion and diversity in which people feel confident about disclosing their disabilities in the certain knowledge that they will receive a positive and supportive response which facilitates their full participation in the full range of activities offered by our academies.

In particular, the achievement and participation of pupils and pupils with disabilities will be monitored and we will use this data to raise standards and ensure inclusive teaching.

We will make reasonable adjustments in relation to teaching and learning and wider aspects of academy life to make sure that the educational environment is as accessible as possible.

We will use our accessibility planning duty to ensure that there is a rolling programme of improvements over the next three years in relation to access to the curriculum, access to information for both pupils and their parents and access to all of our Academies buildings, their facilities and amenities for all.

We will seek to foster a positive response to disability among all members of our Academy's community and to eliminate bullying, harassment or the less favourable treatment of people with disabilities wherever and whenever it is likely to occur.

At SUAT, we believe that diversity is a strength, which should be respected and celebrated by all those who learn in, work in, and visit our communities. In making this assertion, we subscribe to the social model of disability.

The Disability Equality Duty (DED)

1.2 Background Information

All are made in the image of God, and loved by God Through the example of Jesus, all are called to live embodied, fulfilled human lives (Genesis 1:27)

Definition of disability

The Equality Act 2010 defines a disabled person as someone who has ‘a physical or mental impairment which has a substantial or long-term adverse effect on his or her ability to carry out normal day-to-day activities’.

It extended the definition of disability as follows:

- People with HIV, multiple sclerosis and cancer (although not all cancers) are deemed disabled before they experience the long-term and substantial adverse effect on their activities.
- Individuals with a mental illness no longer have to demonstrate that it is “clinically well-recognised”, although the person must still demonstrate a long-term and substantial adverse effect on his/her ability to carry out normal day-to-day activities.

The Duty

The Disability Discrimination Act of 2005 placed a general duty on schools, requiring them to have due regard to the following when carrying out their functions as employers, as providers of education and associated services and as providers of services to the wider community:

- Promoting equality of opportunity between disabled people and other people;
- Eliminating discrimination that is unlawful under the DDA;
- Eliminating harassment of disabled people that is related to their disability;
- Promoting positive attitudes towards disabled people;
- Encouraging participation in public life by disabled people;
- Taking steps to meet disabled people’s needs, even if this requires more favourable treatment.

This general duty is also known as the Disability Equality Duty (DED).

A specific duty under the 2005 legislation required all schools to produce a Disability Equality Scheme and an associated action plan covering a three-year cycle. This is the substance of the rest of this document.

1.3 SUAT’s Strategic Priorities

SUAT is committed to achieving a level of excellence which ensures the success of every student. Ensuring the success of every student requires pupils who are responsive to learning, staff who are committed to the success of all pupils, and all parents to be supportive of the educational process.

Mission Statement

To enable pupils to achieve their full potential and become equipped to lead a successful adult life.

SUAT Aims

To encourage pupils to grow to their full potential and to develop confidence and pride in their achievements, so they can achieve emotional and economic well-being.

Staffordshire University Academies Trust		Trust Policy Document			
Approved by:	Trust Board	Issue date:	February 2023	Review date:	January 2025
Policy Owner:	CEO	Page: 5 of 15			
Audience:	Trustees <input checked="" type="checkbox"/> Parents <input checked="" type="checkbox"/>	Staff <input checked="" type="checkbox"/> General Public <input checked="" type="checkbox"/>	Pupils <input checked="" type="checkbox"/>	Local Academy Council <input checked="" type="checkbox"/>	

To promote a culture of high expectations amongst the whole SUAT community of schools so that pupils can make a positive contribution to society.

To provide a broad and balanced curriculum enabling all pupils to follow an appropriate pathway which helps them to develop as lifelong learners.

To give all pupils equal opportunities so that they receive access to high quality education, regardless of race, gender or disability.

To encourage pupils to develop and maintain positive relationships and reasoned, informed attitudes, values and beliefs.

To foster links with our academy's communities and beyond and to promote a tolerance of different beliefs and cultures.

To enable pupils to explore their spiritual, cultural and moral development.

To encourage pupils to make healthy choices in relation to their lifestyle.

1.4 Strengths & Weaknesses

SUAT recognises that it has both strengths and weaknesses upon which to improve to ensure that all pupils, staff, parents, visitors and volunteers are not discriminated against due to their disability.

Strengths	Weaknesses
Academic mentoring	Additional involvement in extra-curricular activities required
Pastoral support system and staff	Identification of disabled parents / carers
Physical environment	Physical environment
Accessibility	Accessibility
Timetabling of pupils to accessible classrooms where required	
Sensitivity in the way in which the academy addresses the issue of disabilities	Special resources available i.e. height adjustable cookers, physiotherapy rooms. Ad hoc depending on student need.
Consultation with external agencies	
Academy literature asking about disability / promoting the welcoming nature of the SUAT academies	
SEN staff and resources	
Access to counselling provision	
Communication via website / newsletters

2. The General Duty

The production of this disability equality scheme provides us with a framework for integrating disability equality into all aspects of the life of our Academies and demonstrates how we are seeking to meet the specific duty i.e. to produce a Disability Equality Scheme for each of our Academies.

3. The Specific Duty

3.1 Involvement of Disabled People in Developing the Scheme

SUAT academies aim to consult disabled pupils, staff, parents and disabled members of the community who may use the Academy's facilities, through:

- involvement on focus groups that are established, where necessary, in each academy
- involvement of the pupil council
- encouraging pupils from the local Special Schools to visit the site
- communication in the newsletter and on the websites
- consultative staff and pupil questionnaires
- consultation with external agencies i.e. relevant District Access Groups and Staffordshire Voluntary Sector

We continually review the results of these consultations and take into account the views expressed and include these in the relevant Academy action / improvement plan on that Academy's web site (see Appendix 1). Examples of appropriate adjustments already made by our Academies are:

- Ramps provided where necessary
- A lift giving access to all floor levels, where there is more than one storey
- Substantial investment into ICT provision including ground floor rooms
- Disabled pupils timetabled appropriately i.e. ground floor classrooms, if possible
- Consultation with parents of disabled pupils prior to admission to begin planning arrangements
- Additional SEN Teaching Assistants provided, where appropriate

The focus groups will meet on a regular basis, if appropriate, no less than bi - annually and individuals will continue to be consulted, to further develop the action plans and to monitor the action taken by the Academies in progressing the action plan.

Each Academy's records identify all pupils with SEN and/or a disclosed disability and records of their progress are kept. Any individual feedback from pupils, parents or carers regarding specific actions taken to involve pupils and the outcomes that have been achieved are recorded on the student's file.

SUAT recognises that pupils with a disability may face a range of barriers and discrimination. We will, wherever possible, endeavour to remove any barriers to disabled pupils, even if this means treating the student more favourably. We do not tolerate discrimination or bullying on the grounds of disability. This is included in our Anti-bullying and Equal Opportunities Policies.

3.2 Developing a voice for disabled pupils, staff and parents/carers

SUAT is committed to involving disabled pupils, staff, parents and carers in review meetings of this policy. The focus groups potentially developed under section 3.1 will meet on a regular basis, no less than bi - annually, and individuals will continue to be consulted, to further develop the action plan and to monitor the action taken by the academies in progressing the action plan. This process will be overseen by the Local Academy Councils (LACs).

Approved by:	Trust Board	Issue date:	February 2023	Review date:	January 2025
Policy Owner:	CEO	Page: 7 of 15			
Audience:	Trustees <input checked="" type="checkbox"/>	Staff <input checked="" type="checkbox"/>	Pupils <input checked="" type="checkbox"/>	Local Academy Council <input checked="" type="checkbox"/>	
	Parents <input checked="" type="checkbox"/>	General Public <input checked="" type="checkbox"/>			

3.3 The Local Academy Council (LAC)

All nominations received to become a member of the Local Academy Council of an Academy are treated equally. Disabled representatives are welcomed and proceedings are made accessible. The parent members of the LAC are accessible to all parents and their contact details are made available. Regular articles in each Academy's newsletter clarify the LACs role and explain how it contributes to the life of the Academy.

3.4 Removing barriers

SUAT, and its Academies, continue to be proactive in removing barriers to disabled pupils and members of the community that may wish to access each Academy's facilities (see Disability Access Plan for each Academy). Action already taken includes:

- Ramps
- Investigation into feasibility of chair lifts
- Lift installed providing access to second floor, where appropriate
- Resources in enlarged print
- Availability of academy literature in different formats when requested
- Changes to the timetable to ensure accessibility
- Specialist equipment made available to staff / pupils
- Disability awareness training is made available to staff on a regular basis.

3.5 Disability in the Curriculum, including teaching and learning

SUAT encourages positive attitudes towards people with disabilities. Our staff are aware of our disabled pupils' needs and make adjustments to their resources and teaching styles of these pupils wherever required.

SUAT acknowledges Disability in the curriculum as a weakness and aims to make improvements by raising the profile of disability issues in the curriculum through our PSHE courses and by the promotion of disability awareness issues.

3.6 Eliminating harassment and bullying

SUAT's harassment and bullying policy is explicit in how discrimination, bullying, harassment of disabled children and adults will be dealt with.

3.7 Reasonable Adjustments

Where a reasonable adjustment is made the relevant focus group or individual will be consulted in order to assess its effectiveness.

3.8 Academy Facility Lettings

Each Academy makes facilities and resources available on a lettings basis to all members of the community. Where possible requested facilities will be made available on the ground floor and additional reserved parking will be provided.

3.9 Contractors and Procurement

Contractors and procurements are chosen from approved lists, often using the County Council's DES.

In addition, the catering staff at each Academy promote that a range of foods e.g. vegetarian, gluten/wheat/dairy free can be made available to pupils to pre-order.

		General Public <input checked="" type="checkbox"/>			

3.10 Information, Performance and Evidence

a. Pupil Achievement

Assessment data is recorded for all pupils' achievements including those with SEN or a disability. In addition, EHC Plans include information relating to pupils' SEN or disability. The EHC Plans are accessed electronically and are updated immediately information is obtained. All teaching staff update the progress on a termly basis. A SEND register is maintained and updated no less than every half-term. Records are kept that show individual assistance that each pupil is receiving and procedures are in place to map and assess provision (i.e. 1:1 or in-class support). Annual reviews of pupils with SEN and disabilities are conducted and include meetings with parents, staff and external agencies as required e.g. Visually Impaired Advisor.

b. Learning Opportunities

For pupils mostly in our secondary schools there are programmes with the local colleges for those who request or are chosen for this. Pupils with SEN or disability have regular meetings with the relevant careers staff in each Academy. The Academies work closely with the pupils to prepare and support those with SEN requirements and disabilities through work experience opportunities. We follow the information and guidance given by external agencies.

c. Admissions, Transitions, Exclusions

Pupils with disabilities are not over represented in any of our Academy's exclusion figures. Pupil admission forms ask parents/pupils in a sensitive manner to disclose any disability in order to enable that Academy to aid disabled pupils to make the most of their time with us. In our Academies a senior member of staff discusses each new intake with the feeder schools, student welfare staff and SENDCo and ensures that all staff are aware of individual needs. Any pupils with particular disabilities are invited with their parents to take a tour of the Academy and meet with the pupil welfare staff, and a representative from the relevant external agency if appropriate, to discuss their individual needs so that appropriate transitional provision can be put in place.

d. Social Relationships

Our Academies all have their own specific arrangements but, in general, all pupils are integrated into tutor groups. Classrooms can be made available at break and lunch times for social interaction. Some pupils choose to spend these times in the SEND rooms with staff. The Trust acknowledges that it is difficult to monitor social relationships at lunch and break-times although this is done within the SEND area.

e. Employing, promoting and training disabled staff

SUAT is an equal opportunities employer that has a workforce that is representative of its local communities. In line with Staffordshire County Council's recruitment and selection procedures, we operate an interview guarantee scheme for any disabled applicant meeting all of the selection criteria. Candidates invited to attend for interview are also asked if they have any special requirements that will enable them to attend.

3.11 Impact Assessment

Impact assessment will take place following any action taken.

The Trust will continue to monitor each of its policies and procedures upon review and will consider the DED at each stage of the process.

	Parents <input checked="" type="checkbox"/>	General Public <input checked="" type="checkbox"/>			

3.12 Reviewing/Monitoring

The action plan will be reviewed by the Trust Board and monitored by the Local Academy Councils no less than annually.

Action will continually be taken to increase the number of disabled pupils, parents / carers and members of the community who are involved in the focus groups, within each academy.

This Disability Equality Scheme will be revised every three years or earlier if appropriate.
