Funding to support disadvantaged children, girls, or children with special educational needs and disabilities (SEND) or long-term medical conditions

At St Luke's we deliver learning without limits. We do not necessarily target specific sets of children with sports funding but supply, encourage and deliver all pupils the same opportunities in sport at St Luke's. This is reflected in the curriculum and extra-curricular activities provided and competitions that we enter.

The measurable impact on pupils' PE attainment, physical activity and sport participation through your use of PE and sport premium funding

Through the sports funding this year, all pupils were provided with 2 hours of curriculum p.e lessons each week. All children also benefited through active learning in lessons and at break, providing an extra 60 minutes of activity throughout each day.

Throughout the year, over 100 pupils took part in extracurricular sports clubs as shown on our hive registers.

Each half term, all children benefited in taking part in a level 1 sporting competition within the school.

Through bee active, we gained access to more sporting competitions, which allowed ks1 and ks2 children to take part in level 2 sporting competitions.

Through the Burslem sports association, pupils took part in a level 2 sporting competition and level 3.

Through the school games marks competitions pupils also took part in a level 2 sporting competition.

How you have used your PE and sport premium funding to make sustainable improvements

Sustainable Impact

- Embedded CPD and coaching: Staff training ensures that expertise remains in-house after coaches leave.
- Durable infrastructure: Investment in playground upgrades and equipment creates long-lasting opportunities for physical activity.
- Culture of activity and inclusion: Lunchtime programming and health-focused initiatives promote ongoing engagement and wellbeing.
- Inclusive competition pathways: Continued participation in competitive sport for all pupils, including SEND, becomes part of the school's identity

Percentage of pupils in year 6 who have met the national curriculum requirement to: swim competently, confidently and proficiently over a distance of at least 25 metres

100%
